

NOTICE OF NON-CONSENT

NOTICE AND DEMAND TO CEASE AND DESIST

To: Hon. Mayor Lloyd Winnecke
City of Evansville, STATE OF INDIANA
Civic Center Complex
1 NW Martin Luther King Jr. Blvd.
Room 302
Evansville, IN 47708

Subject: **NOTICE OF NON-CONSENT, NOTICE AND DEMAND TO CEASE AND DESIST**

Dear Honorable Mayor Winnecke:

Notice is hereby formally served upon you that conclusive evidence now available to me exists that the people of the Great State of Indiana and the City of Evansville are being intentionally poisoned by WEATHER MODIFICATION. Sometimes known as chemtrail geoengineering. I am under a legal and moral obligation to intervene on behalf of the millions of Hoosiers who are unwittingly being used as lab experiments without their knowledge or informed consent. I have called the Indiana Dept. of Environmental Management. I have called the Office of Air Quality. I have called the Evansville Environment Protection Agency. I have searched the Hoosier State Press Assoc. I have called the Hoosier Environmental Council. No one has been able to provide me with any type of NOTICE OF INTENT in the form of a PUBLIC NOTICE by the State of Indiana of which the City of Evansville is a subdivision thereof. In fact none of the above agencies had a clue about what I was talking about. All a conscientious person has to do is look up. And they will see these strange looking jet trails. These jet trails are loaded with horrible biological agents. See <http://www.geoengineeringwatch.org/tests/lab-tests/>

If you mayor Lloyd or anyone in government assumes I have given consent to be used as a lab experiment pursuant to U.S.C. Title 50, § 1516, § 1519 or § 1520a or any other titles, sections, subsections etc., any part of Public Law 105-85, 111 STAT. 1629, by my silence **I HEREBY FORMALLY WITHDRAW MY CONSENT AND DEMAND THAT YOU CEASE AND DESIST** of such humanity destroying operations.

Also involved in this weather modification is a facility called H.A.A.R.P. High Frequency Active Auroral Research Program. <http://www.haarp.alaska.edu/> Also see Nexrad HAARP Weather

There is now an arctic methane emergency as large deposits of methane hydrate are melting on the sea floor thereby releasing large amounts of methane. <http://www.geoengineeringwatch.org/methane-release-and-the-geoengineering-cure-that-is-fueling-the-fire/> See also the Arctic Methane Emergency Group. <http://www.ameg.me/>

The ozone layer is being shredded by weather modification. <http://www.geoengineeringwatch.org/ongoing-geoengineering-spraying-is-shredding-ozone-layer/>

If you haven't gotten the clue yet, geo-engineering is a chemical weapon – placing chemicals in the sky to **combat** “climate change”. In legal language, such as with the word “terrorist”, any thing or concept can be made an “enemy” for which to fight.

These chemicals are in the form of nano particles. <http://www.geoengineeringwatch.org/nano-aerosols-and-you/>

Police officers, judges, clerks, anyone who works for the state are servants to the sovereign people. Servants do not give orders they carry them out. Orders from the sovereign people of which I am a qualified member, “by whom and for whom all government exists and acts” (see Yick Wo v. Hopkins, 118 U.S. 356, 370 (1886), known and lawfully identified as “We the People of the United States” of America. See also the landmark case of Twining v. New Jersey, 211 U.S. 78, 53 L. Ed. 97 (1908). See also 8 U.S.C. § 1101(a)(21). See also the Buck Act, 4 U.S.C. 105-113. Stop the poisoning of our air, earth, water and our bodies. The side effects of this so called weather modification to prevent global warming are so much worse than the problem. It is a basic human right to be able to breathe clean air.

Chemtrails are everywhere and by virtue of the superior authority which is vested in me by my Creator as a direct result of my natural birth as a qualified member of the Sovereign People, **I hereby demand and do hereby order you to Cease and Desist from geoengineering weather modification immediately.** Damages suffered under this madness are incalculable.

If my demands are not met I will consider you in violation of the following obligations of public

servants *inter alia* :

1. 5 CFR § 2635.101 (b)(1)
2. 5 CFR § 2635.101 (b)(5)
3. 5 CFR § 2635.101 (b)(8)
4. 5 CFR § 2635.101 (b)(11)
5. 5 CFR § 2635.101 (b)(12)
6. 5 CFR § 2635.101 (b)(13)

The following United States code statutes may be applicable *inter alia*:

1. 18 U.S.C. § 3
2. 18 U.S.C. § 4
3. 18 U.S.C. § 41
4. 18 U.S.C. § 175
5. 18 U.S.C. § 229 (a)(1)
6. 18 U.S.C. § 229 (c)(3)

As required by the Indiana Constitution Article 15, Section 4 and Indiana Code 5-4-1 all officials of the State of Indiana are required to file oaths and bonds. A public official, otherwise known as an officer, is someone who holds an public office.

Your oath (or affirmation) is a binding contract **which I hereby seek to enforce**, according to the dictates of my conscience, my Creator, and the supreme law of the Land, as lawfully amended.

I realize that this notice may constitute an historically unprecedented act on my part, as a individual Indiana Citizen who enjoys neither elected nor appointed authority of any kind at this moment in time. Nevertheless this act is necessitated by the fact that our planet is in very very bad condition because of these weather modification programs and the great majority of the inhabitants of the planet appear to be in willful ignorance of what is happening to them.

Therefore , I do explicitly reserve my unalienable Right to take whatever steps deemed necessary, proper and lawful to effect a remedy which may result in civil RICO, commercial liens placed against bonds, etc. The government has drifted so far off course, it hardly resembles the constitutional Republic it was designed to be. See the Declaration of Independence. (1776).

Thank you very much for your attention in this most important matter, and for your consideration.

AFFIRMATION

I, geoffrey-franklin, do hereby affirm under penalty of perjury, under the laws of the United States of America, without the “United States” (federal government) that the above statement of facts and laws is true and correct to the best of My current information, knowledge, and belief, so help me God, pursuant to [28 U.S.C. 1746 \(1\)](#) (Constitution, and Laws and Treaties of the United States are

supreme Law of the Land, notwithstanding anything in the Constitution or Laws of Indiana State to the contrary. See [Supremacy Clause](#) .)
