

DR. ENRICO MELSON

For 30 years, EnRico has lectured and advocated worldwide for Mind-Body and Integrative Medicine, for *Integral Awareness Mastery (I-AM™)*, and *Awareness Systems Providing Energetic Core Transformation (ASPECT™)*. EnRico was a National Merit/ California Physicians Scholar at Harvard University, receiving his A.B. in Public Health, in 1977. He completed his Masters in Public Health (M.P.H.) degree at the University of California at Berkeley in 1981. His Medical education was at the University of California at Irvine, and at Stanford University, with his M.D. from UCI in 1982. His Post-Doctoral training includes: Memorial Sloan-Kettering Cancer Center of Cornell Univ.; Montefiore/ Albert Einstein Medical Centers; The US Centers for Disease Control and Prevention, The Health Care Financing Admin; and The Univ. of Iowa College of Medicine. Dr. Melson has held multiple Allopathic credentials, including: General Preventive Medicine and Public Health; Occupational/ Environmental Medicine; Family Medicine; Pain Management; Disability Evaluation; Medical Administration; and Epidemiology and Health Services Research. He also holds such other Complementary and Integrative Medicine (CIM) credentials as: Doctor of Natural Medicine (Honorary); Diplomate in Integrative Holistic Medicine; Fellow in Anti-Aging and Regenerative Medicine; Medical HypnoTherapist; Trainer in Neuro Linguistic Programming; Ayurveda

Practitioner; Master Bio-Energetics Practitioner; Dynamic Integral Medica; and Trainer in numerous Mind/ Body Integration practices. He has directed multiple programs and clinics in Ayurvedic, Mind-Body, Spa, Primary Care, MedEvac, Urgent Care, Occupational, Environmental, Addiction, and Integrative Medicine. EnRico is the Developer of the *HoloLinguistic Awareness (HLA)* Methodology, as well as the *Integral Awareness Medicine (I- AM™)* and *Syntelligence* Systems. His studies of Ancient Systems include Ayurvedic Medicine, Hawaiian Huna, Traditional Chinese Medicine, and Shamanic pursuits. He currently lives in Greater Los Angeles, USA, while frequently traveling domestically and abroad, in Service, as Teacher and Healer.

From 1987 through 1994 EnRico served as Adjunct Clinical Professor within the Department of Environmental and Preventive Medicine at the University of Iowa. His commitment to environmentalism, sustainability, and “*integral-green*” technologies and solutions extends to the present day, through His frequent requests to consult and advise on problems and projects related to such. From 2009 through 2011 He served as a Principal Advisor to the Chair of the InterGovernmental Renewable Energy Organization of the United Nations (IREO).

Over His years as a Physician, EnRico has undertaken numerous dangerous, though very fulfilling, Humanitarian Missions to disaster areas around the world, including war zones and natural disaster regions. These experiences into the depths and darkness of Human Suffering also greatly influenced His development as a Professional, a Spiritual Being, and as a Global Citizen. Additionally, EnRico is a former Officer (Lieutenant Commander) in the United States Public Health Service. His four year service in that capacity allowed Him to contribute in the Indian Health Service, Alaska Native Health Service, Centers for Disease Control, Health Care Finance Administration, and Kingdom of Saudi Arabia – in such capacities as Clinician, Administrator, Leader, Researcher, Professor, and International Liaison.

Some of His services over the past decade include: President and Founder of The Integral Medicine Institute in Beverly Hills, CA; Former Executive Director, Global Integrative Medicine Network (GIMN); Visiting Professor, Beijing Traditional Chinese Medicine University; Senior Advisor, INIT (Intelligent Information Technology); Senior Advisor, China NeuroInformatics Centre. He is also former: Advisor, World Organization of Natural Medicine (WONM); Chief Medical Officer, Bridge Global Services; Vice-Chancellor for Innovative Medicine, Global Foundation for Integrative Medicines (GFIM). And since 2006 He has served as Chancellor of Quantum-Veritas International University Systems (*QVIUS*). He oversees the development and administration of advanced Curricula in the new Healing Fields of *SOMIATRY*, *Dynamic Integral Medica*, and *Applied Spiritual Healing*.

Rico has worked in International Communications and Technology Development, since 1984. He Co-Founded Tri-Star Technologies, Inc., and led their participation in INTELSTAT'S *PROJECT S.H.A.R.E.* (Satellites for Health and Rural Education). He has been acknowledged by numerous International organizations for his work in advancing TeleMedicine, TeleEducation, and Informatics Networks in Lesser-Developed Countries (LDC's). He also lectures frequently, worldwide. From 2005 through 2010 EnRico served as Senior Scientist of China's THIRD-BRAIN Research Institute, a Think Tank and Neuro-Bio-Informatics R&D Centre. He has also served as Senior Advisor to the China NeuroInformatics Center, and to the International BioMedical Network Data Sharing Projects, supporting China's participation in the Global effort to “Map” and more completely understand the functions and capacities of the Human Brain/ Mind/ Consciousness Axis. As *INIT* Senior Advisor, using NeuroScience-based technologies, along with Consciousness Research modeling, he helped *INIT* develop Advanced Learning Engine Products, such as Rapid Language Acquisition, for **e-Learning** markets.

In 2008 ‘*Sir EnRico*’ received His *Knight of Honor (KSJ)* in The Sovereign Order of the Orthodox Knights Hospitaller of St. John of Jerusalem – acknowledging His life-long Scientific, Healing, and Humanitarian contributions and Service. Also in 2008, He became a Member of the Transformational Leadership Council (TLC), a prestigious, Globally-renown organization of leaders in New Thought and Growth. Further to His Spiritual development and practice, He has also become an Ordained Interfaith Minister. EnRico has recently been awarded *Doctor of Applied Spiritual Healing (DASH)* and *Servant to Humanity (Ser.)*

Credentials. He has received high accolades from numerous Leaders and Masters from many of the World's Spiritual Traditions: Christian, Buddhist, Hindu/Vedic, Sikh, Judaic, Muslim, Maori, Polynesian, Shamanic, Native American, Taoist, Sufi, Baha'i, and Eskimo. In 2013 He was elevated to the rank of *Knight Commander of the Order of St John of Jerusalem – Russian Grand Priory (KCSJ)*.

In February 2012 EnRico was honoured by the Maori of Rotorua, New Zealand, with the title of "*Kaitiaki o te Maturanga o te Atua*" ("*Guardian of the Sacred Knowledge of the Gods*"). His responsibilities to the People include identifying and preserving Sacred Plant, Mineral, and Crystalline Substances of Indigenous Peoples, (to function as the '*Pharmacopeia of the Emerging Age*'), as well as to create a Curriculum of Integral Awareness Mastery (*I~AM*) for new Maori Academies of Social Development.

In 2014 Rico turned his clinical attention back to Addiction Medicine, having recognized the growing prevalence and severity of this Global Epidemic of Addictions. He has helped develop and advance the Integrative/ Integral Medicine model in the treatment of Addictions and the difficult 'Road to Recovery'. He is currently 'Board-Eligible' for Diplomate status in Addiction Medicine, pending the upcoming Fall 2015 Certification Examination.

Servant-Rico teaches – free of charge — weekly classes of more than 50 students in advanced Meditation, Integral Education, MetaSystems and MegaTrends, Consciousness, Spiritual and Energetic Healing Practices.

He is currently in the process of amassing much of his works into several book projects. The current lead work is (tentatively) entitled, "House of Mastery: Pillars of Integral Education" — a co-Authorship with Professor Pedro A. Noguera of New York University. He has also entered into a writing collaboration with Dr. Steve Chen, Co-Founder of the Third Brain Research Institute, and one of the world's leading authorities on SuperComputer technology, architecture and Grid/Cloud networks, integrating Advanced Artificial Intelligence and Human Consciousness methodologies.

EnRico has three Children: Che', Nolan, and Krystyanna. He considers each of Them true young Masters – and much more advanced than He.
