

Key Documents

“No money shall be drawn from the treasury, but in consequence of appropriations made by law; and a regular statement and account of receipts and expenditures of all public money shall be published from time to time.” ~ Article I, Section 9, Clause 7, U.S. Constitution

See **“DOD & HUD”** for Dr. Mark Skidmore’s report and a complete list of links to government financial documentation supporting \$21 trillion in undocumented adjustments from fiscal 1998 to date for DOD and HUD.

U.S. Department of Defense Website

“The technology revolution has transformed organizations across the private sector, but not ours, not fully, not yet. We are, as they say, tangled in our anchor chain. Our financial systems are decades old. According to some estimates, we cannot track \$2.3 trillion in transactions. We cannot share information from floor to floor in this building because it’s stored on dozens of technological systems that are inaccessible or incompatible.”

– Remarks as Delivered by Secretary of Defense Donald H. Rumsfeld, The Pentagon, Monday, September 10, 2001

by Catherine Austin Fitts

A case study of two teams each with competing visions for America. This story shows you how far the establishment will go to make sure you do not have financial statements for your government and your neighborhood. Dive into the litigation resources for Hamilton Securities and you will see an example of one of DOJ strategies that can be used to get our missing money back.
